

# Starman - The Song

Words and music by David Bowie

## Lyrics

Didn't know what time it was and the lights were  
low  
I leaned back on my radio  
Some cat was layin' down some rock 'n' roll 'lotta  
soul, he said  
Then the loud sound did seem to fade  
Came back like a slow voice on a wave of phase  
That weren't no D.J. that was hazy cosmic jive

(CHORUS)

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
Cause he knows it's all worthwhile  
He told me:  
Let the children lose it  
Let the children use it  
Let all the children boogie

I had to phone someone so I picked on you  
Hey, that's far out so you heard him too!  
Switch on the TV we may pick him up on channel two  
Look out your window I can see his light  
If we can sparkle he may land tonight  
Don't tell your poppa or he'll get us locked up in  
fright

CHORUS (x2)

La, la, la, la, la, la, la, la (repeat)
