

Waiting on a Friend - Stones

Watching girls go passing by
It aint the latest thing
Im just standing in a doorway
Im just trying to make some sense
Out of these girls go passing by
The tales they tell of men
Im not waiting on a lady
Im just waiting on a friend

A smile relieves a heart that grieves
Remember what I said
Im not waiting on a lady
Im just waiting on a friend
Im just waiting on a friend

Dont need a whore
I dont need no booze
Dont need a virgin priest
But I need someone I can cry to
I need someone to protect
Making love and breaking hearts
It is a game for youth
But Im not waiting on a lady
Im just waiting on a friend
