

AirBorne

AUSTRALIA

3-6 November
Bright Fly-in
Porpunkah Airfield

*See our
latest aircraft
first-hand!*

Airborne is hitting the road with their high performance XT microlight and C4 hang glider. This is your chance to see our very latest aircraft and talk to the pros from Airborne or local Certified Flying Instructors.

Details can be downloaded
from our website;
www.airborne.com.au

Featuring the latest
XTC-582 (with Cruze wing)
and the **XTS-912**
Plus: The latest comp
hang glider from Airborne
C4-13, C4-13.5 and C4-14

Some of our activities subject to change. Check the Airborne Website often at:
