# *See our latest aircraft first-hand!*

Airborne is hitting the road with their high performance XT microlight and C4 hang glider.

This is your chance to see our very latest aircraft and talk to the pros from Airborne or local Certified Flying Instructors.

Details can be downloaded  
from our website;  
[www.airborne.com.au](http://www.airborne.com.au)

# *All Welcome!*

Featuring the latest  
**XTC-582** (with Cruze wing)  
and the **XTS-912**

**Plus:** The latest comp  
hang glider from Airborne  
**C4-13, C4-13.5 and C4-14**

Some of our activities subject to change. Check the Airborne Website often at:
