

**It is the trip through paradise for photography lovers**

You can get an advice from the author of photographic books "Above Sydney" and "Outback Australia" – one of instructors on the trip.

# BLUE AUSTRALIA

EAST COAST SAFARI

From Sydney, the city of colour, light and blue water to the World Heritage listed Fraser Island - the largest sand island in the world.

From above you will see the Hunter Valley, renowned for its wine and part of the Australian East Coast with its famous tourist destinations, Coffs Harbour, Byron Bay, Noosa to name a few.

You will experience pristine beaches, diverse forms of Australian coastline, reach marine life (dolphins, sharks, rays, turtles etc)
