

## Canungra Record Challenge 2007

16 Feb to 14 Apr 2007

The Canungra Record Challenge (CRC) brings both competition and record flying together. Set your own tasks, fly the days you like and lift your flying standard whilst competing against your fellow pilots.

Scoring will be open for two months to allow for the best weather opportunities and will be open to all pilots, HG & PG, with inland experience. The CRC gives the entrants an opportunity to achieve flights that satisfy on a personal level without the confines of predetermined tasks and launch times. Held at an optimum time of year, the dates have been chosen to reflect the current hg site record of 496km by John Durand Jr on 18/3/05.

### **Dates Locations:**

The Challenge will be open for GPS scoring from 16th Feb and conclude 14th Apr 2007. Briefing and updates will be done via email, downloads via gps or email.

**Cost :** A one-off \$30 scoring fee applies to all entrants wanting to be scored. Site fees if required are \$40 for 3 weeks or as shown on CHGC website. <http://www.chgc.asn.au/>

**Courses and Tasks :** Seven different records will be scored and pilots can enter their best flight tracks for.

- 1) Straight distance.
- 2) Straight distance to declared goal.
- 3) Out and return over distance and time.
- 4) Open distance with a turn point.
- 5) Triangle over distance and time.
- 6) Gain of height.
- 7) Flight duration.

Awards: The Canungra Nugget Best Over All Trophy will be awarded in both the HG and PG fields. The trophy features a ½ oz gold nugget coin.

Entry will be confirmed via return email subject "Canungra Record Challenge entry form" at [raefon72@msn.com](mailto:raefon72@msn.com) with payment of fees on signup. First day sausage sizzle at 8.30 am park next to Canungra Hotel at Canungra.

FAI observers will be available if required throughout the challenge. Accommodation / Retrieve packages available at <http://www.goldcoasthgpg.bigpondhosting.com/>
